For over 20 years SPI has used eco-friendly powder paints that provide high-quality, scratch-resistant, lasting color. The finishes shown here are printed representations of the standard color selections available for SPI Lighting products. SPI is able to match any RAL®, Pantone® or custom color. All paint finishes are textured, unless otherwise noted. There may be slight variations in color, texture and finish between the samples shown here and the actual product finishes. **Finish sample chips can be requested by contacting finishes@spilighting.com.**
