DESCRIPTION

Inspired by the drive to push the lighting design barrier, Stile delivers modern components creating a base upon which unique lighting designs can develop. Pictor's contemporary sconces accent a space with a European feel. Sleek luminaires with a minimal 2.4" projection, Pictor utilizes efficient fluorescent sources, provides functional lighting and features shielding options. Complementing Pictor pendants, this product family offers aluminum and frosted acrylic panels with endless design and color gel options. Colors and designs are easily customized to fit your design.

FEATURES & BENEFITS

- Acrylic face plate gives the fixture a unique identity and efficiently illuminates a space
- Versatile design allows fixture to be mounted in any orientation
- Fixture design allows relamping without the use of tools, simplifying maintenance
- Compliant with Americans with Disabilities Act (ADA) requirements
- Handcrafted in USA

SPECIFICATIONS

- **LIGHT SOURCE:** Fluorescent
- **BALLAST:** Integral electronic fluorescent ballast utilizes the latest energy-saving technology to maintain consistent color temperature, CRI and lumen maintenance, while eliminating the need for remote mounting and simplifying installation. Class "A" sound rated ballast for use in low ambient noise applications.
- **CONSTRUCTION:** Formed metal construction provides durable protection for internal components and is recyclable
- **MOUNTING:** Mounts to standard 4" octagonal junction box; additional mounting structure and hardware required (by others). Auxiliary mounting 6.75" from center provided. Allows fixture to be installed at an application appropriate height by providing a means to mount the fixture centered on, above or below existing mounting components.
- **FINISH:** Faceplate is clear acrylic with white frosted accent. Finish specifies the inset decorative aluminum panel. Choose

from 26 standard thermoset polyester powder coat paint colors or brushed aluminum finish. RAL®, Pantone®, or custom finishes available upon request.

- **MODIFICATIONS:** Consult factory for all modification requests
- **APPROVALS:** ETL listed to UL standards (US & Canada) for use in damp locations; not recommended for exterior applications
