

# NOVATO LINES + ARCS

Architectural building blocks

**SPI** LIGHTING  
[www.spilighting.com](http://www.spilighting.com)

These architectural building blocks provide fundamental design tools that enable endless expression of your lighting ideas to meet specific customer requirements. Novato Lines + Arcs deliver illumination tailored to fit each unique space. Whether a simple luminous line is needed or a complex pattern combining luminous angles and sweeping curves, this lighting allows you to express your creativity.

Start building your design at [www.spilighting.com](http://www.spilighting.com).

### Luminous form

- Fully enclosed three-sided luminous form brightens horizontal and vertical planes
- Provides functional lighting with comfortable luminance levels
- Strong lines yield a distinctive visual presence
- Ideal for separating open offices, providing wayfinding, or adding markings
- Mix and match with the entire Novato family

### Easy installation

- Plug and play wiring
- Powerful magnetic connections strengthen joints
- Designed to minimize hanging hardware and power drops

### Product Overview:

Lines: 2' to 8' sections

Arcs\*: 3' 90°, 4' 90°, 5' 45°

Five luminous connectors:

+, T, L (90°), V (120°), Y (120°)

Model Number	Size	Total Wattage	Delivered Lumens
AIP12071 (Lines)	2 ft	10W 20W	1,041 2,082
	3 ft	15W 30W	1,562 3,123
	4 ft	20W 40W	2,082 4,164
	6 ft	31W 62W	3,227 6,454
	8 ft	40W 81W	4,164 8,432
AIP12072 (Arcs)	3 ft radius*	21W 42W	2,145 4,291
	4 ft radius*	29W 58W	2,963 5,925
	5 ft radius*	19W 37W	1,941 3,780
