

INACTIVE SPEC SHEET

Prescott Exterior

AEW8085 18.00 in

JOB NAME:
TYPE:
NOTES:

DESCRIPTION

The spun metal housing of the Prescott is perfect for even illumination, providing a halo of light against the wall. The machined metal guard not only protects the lens, but also adds a decorative element to the fixture. The fixture is perfect for a host of applications including offices, retail buildings and health care facilities. Choose from a palette of both painted and metal finishes.

FEATURES & BENEFITS

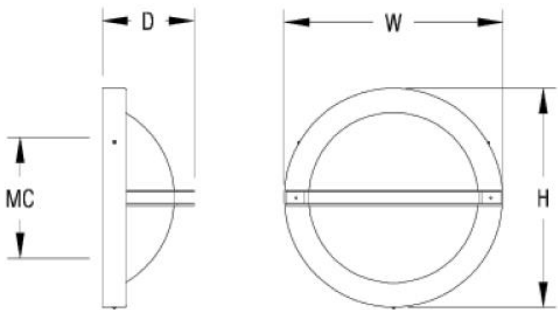

- Opal acrylic diffuser lens enhances a space with filtered illumination
- Spun metal housing and metal accents add high-quality, decorative element to fixture
- Interior family fixtures available to carry a consistent lighting design throughout a project
- Handcrafted in USA

SPECIFICATIONS

- **LIGHT SOURCE:** Incandescent
- **MOUNTING:** Mounts to standard 4" octagonal junction box
- **MODIFICATIONS:** Consult factory for all modification requests
- **APPROVALS:** ETL listed to UL standards (US and Canada) for use in wet locations
